Dongguan Wellsource Water Treatment Co.Ltd

Applications:

1. Air-conditioning system
2. Cooling system
3. Industrial cleaning
4. Water treatment
5. Aquiculture
6. Fertilizing system
7. Environmental Application
8. Other Special application

Specifications:

1. It is to providing the pressure for filter or RO system.
2. The pressure is about 0.2-0.4Mpa or 1.4-2.1Mpa

CHL\CHLF Horizontal multistage stainless steel centrifugal pump

Performance scope
